## NORTH- Center of Activity

Seeking information, gaining experience, analyzing, judging, building, creating—in library, classroom, shop, laboratory, gymnasium, and studio, each student finds opportunities for expression, for development, for finding his own place in the universe.

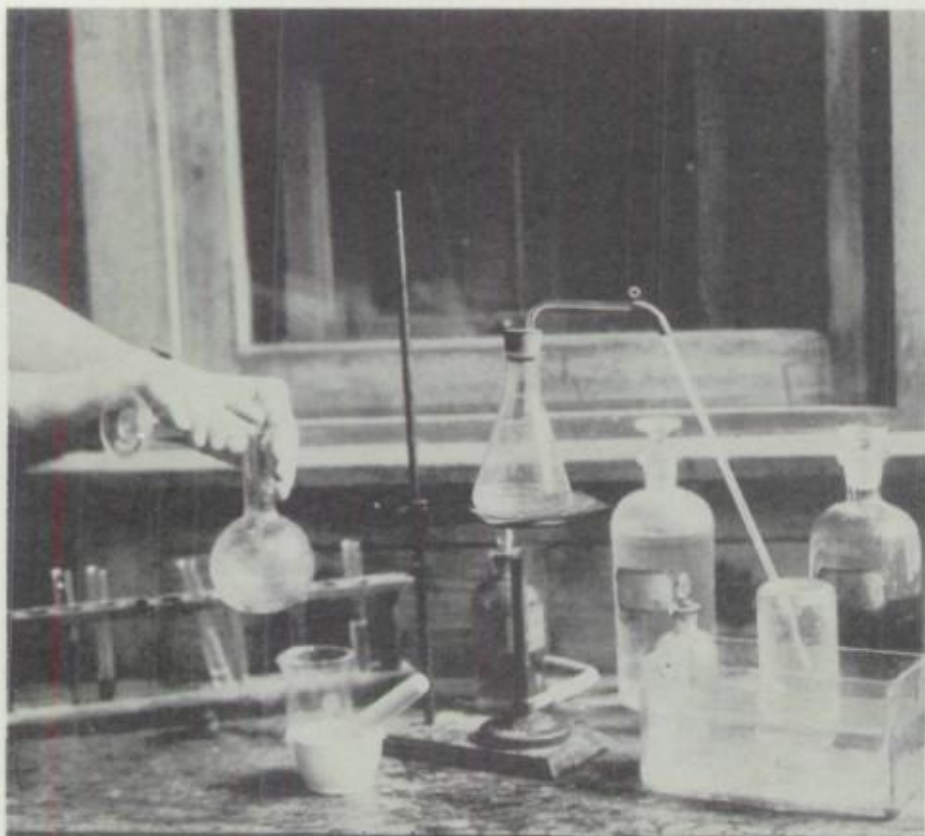

Maxine McNicholas and Kenney Broman discover "the classics."

There is more to physics than meets the eye.

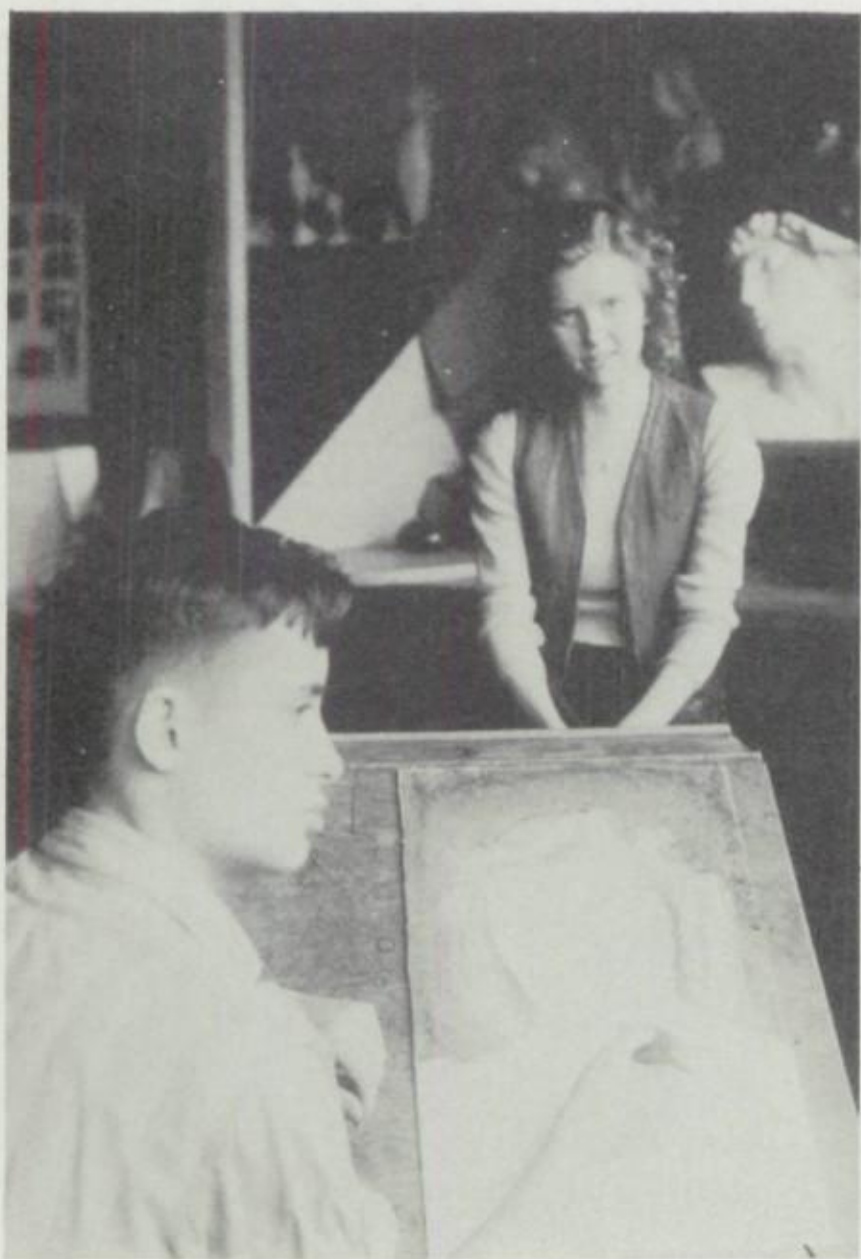

Jean Cella graciously "poses" for art students.

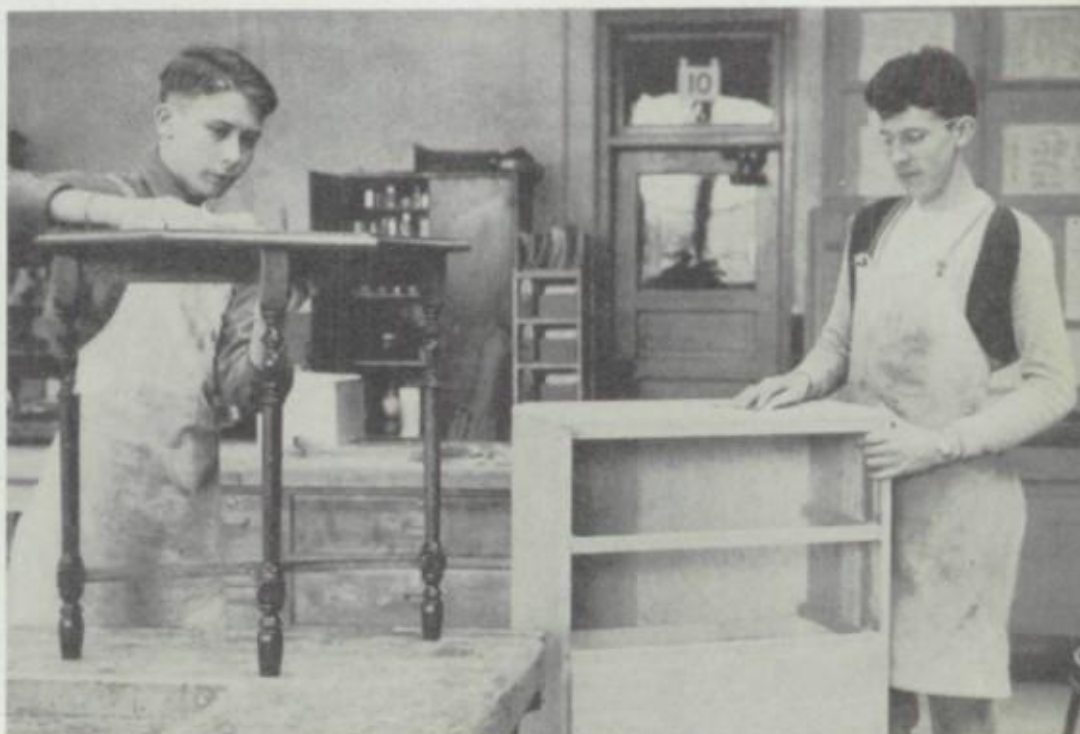

In the laboratory, students soon become imbued with the true scientific spirit.

Robert Romero pauses in his painting of his portrait of Sara Van Camp.

Robert Radetsky smiles when he finds he was "right all the time."

Earl Rohrbaugh and Harold Deist put the finishing touches upon their work.

The Library—"Mecca" to all students, who here find books for all needs and tastes.

"Je ne comprends pas," says Jewel Myers to Miss Duprée and Ellwyn Stuckey.

The shops of North are equipped with the most modern machinery.

Jacqueline Morris and Val Henrich find that the "world" can be brought into a classroom.

Helen Henderson finds "new worlds to conquer."

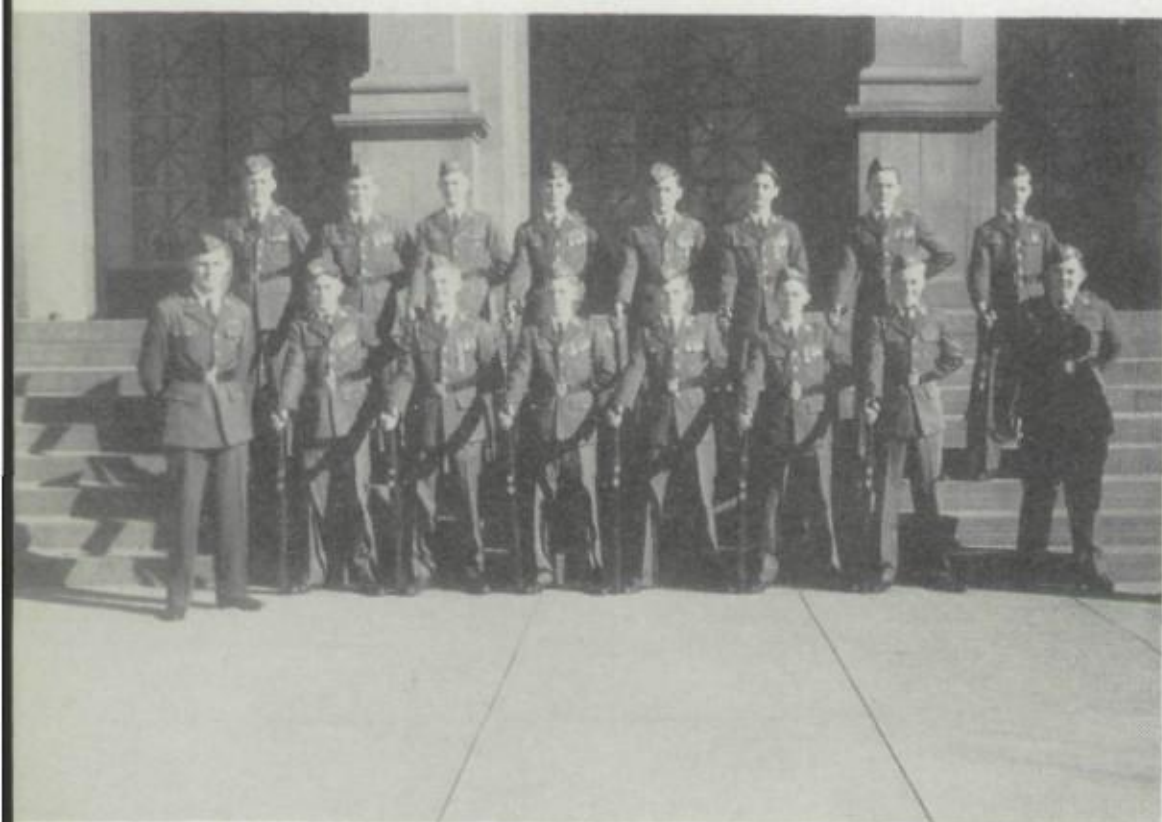

The eternal mystery of it all!

The "North Star" meets that deadline.

The Crack Rifle Team gains real skill.

These girls know the way to a man's heart.

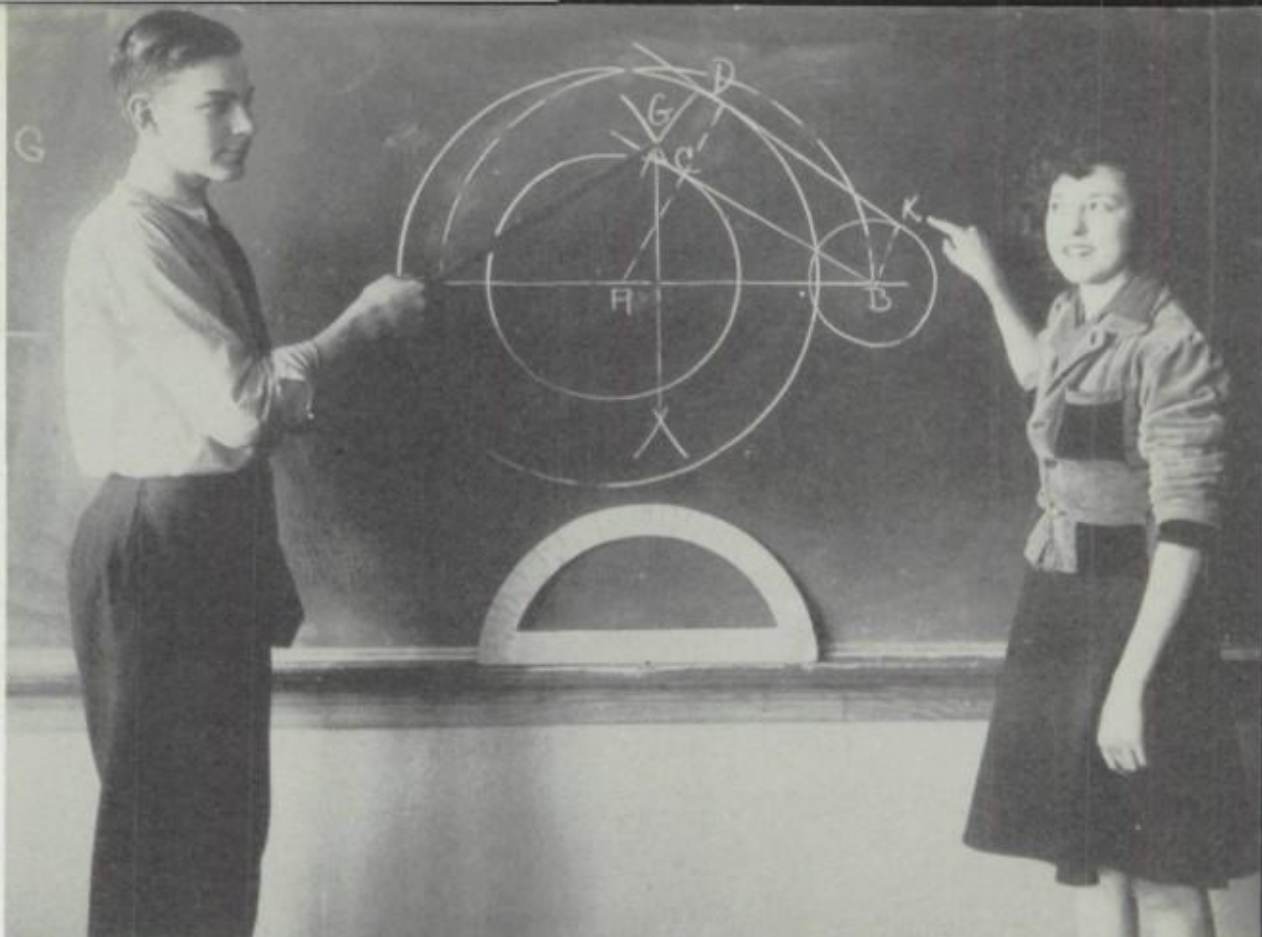

## WORKING, WORKING,

Joe Holtman learns the value of accuracy in mechanical drawing.

# AND STILL WORKING

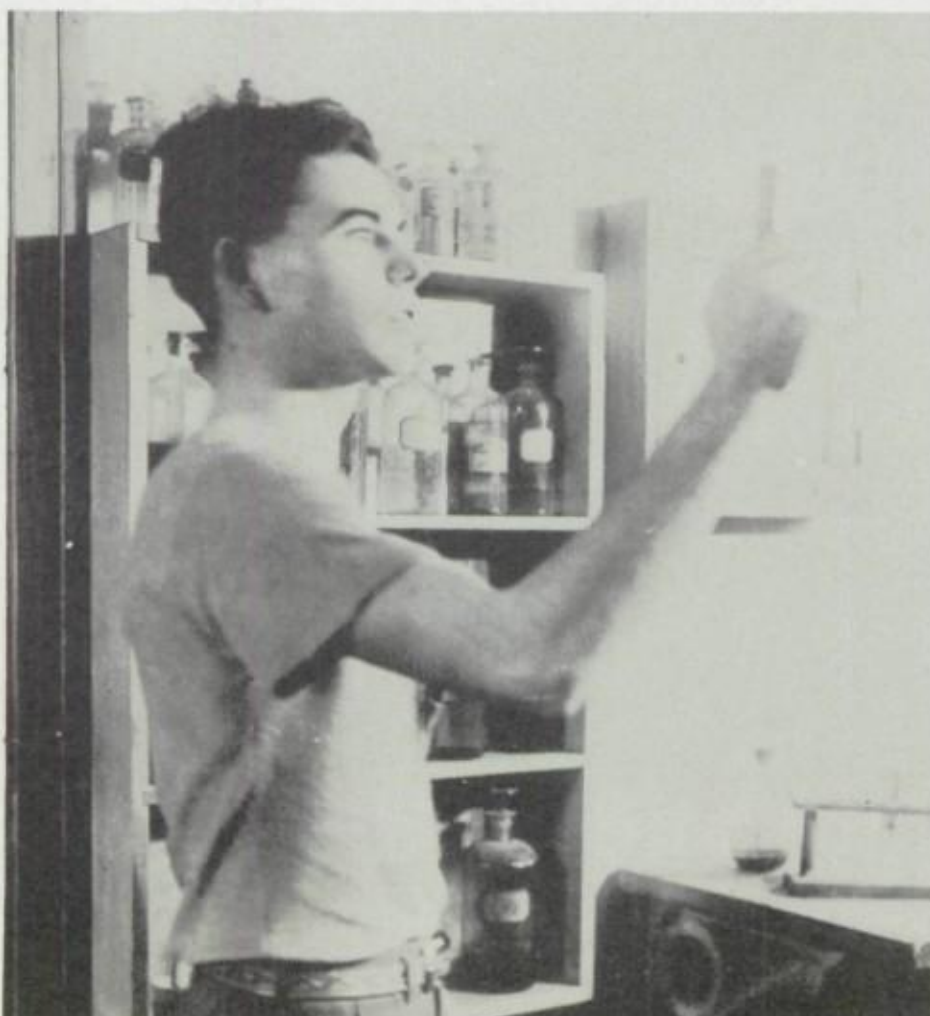

Everett Wood tries to explain the theorem to Lois White.

What wonders can be found in a test tube!

Fairy Perry models the housecoat that she has just finished.

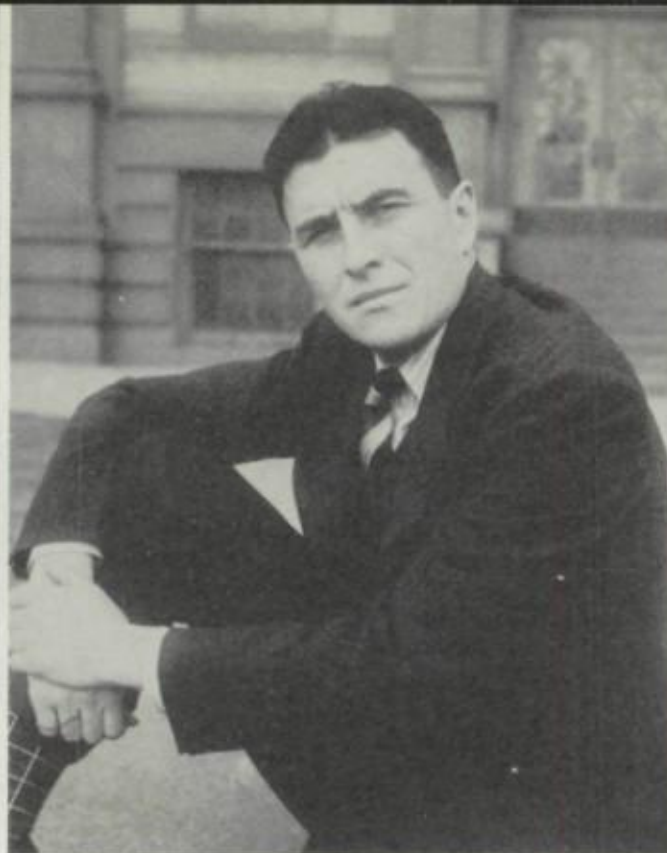

Mr. Utterback meditates.

Miss Lendrum pauses in her work.

Coach Flint looks puzzled.

Mr. Hill in a quizzical mood.

Mr. Borst is pleased with the report.

Mr. Varian seems thoughtful.

Mr. Murphy does his homework.

Is Mr. Lacey worried or just pensive?

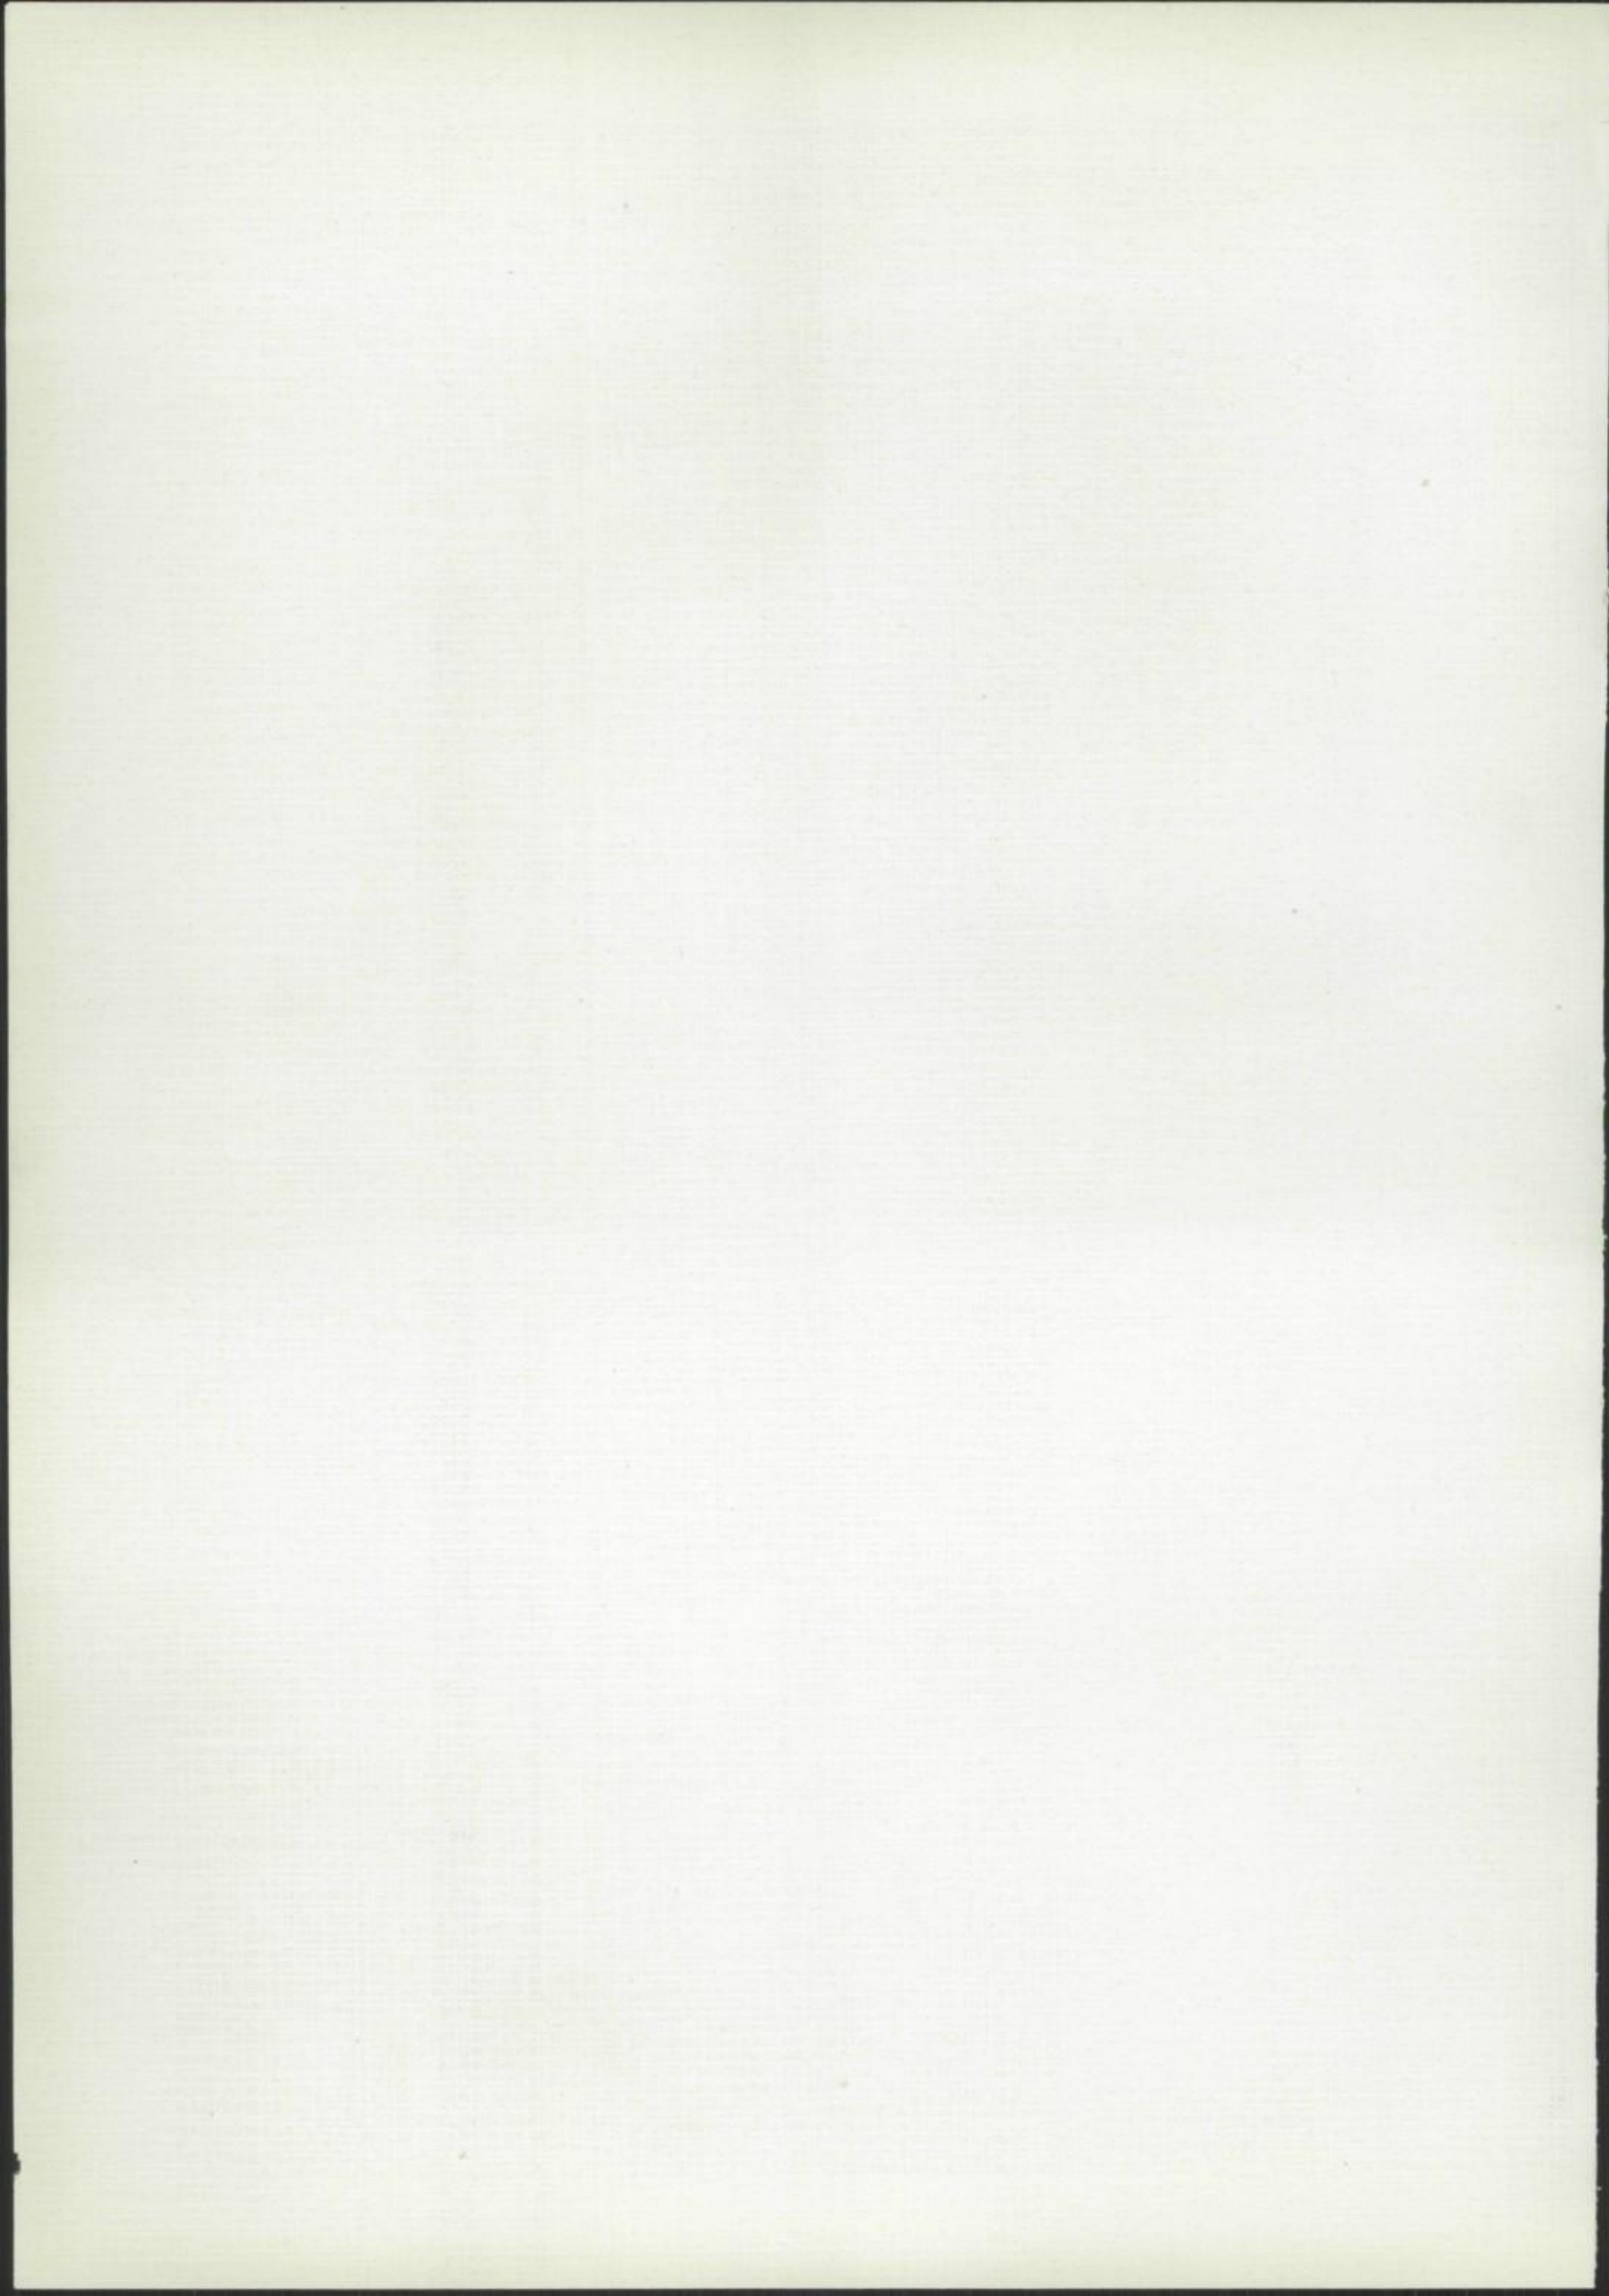

*We mixed pleasure with  
responsibilities.*

## FOOTBALL, '40

The purple-shirted Vikings fought tenaciously through the football season. They failed to win one league game although the last three games showed much improvement. North did win one game, which was with Arvada. Toward the middle of the season, Coach Jack Evans divided his squad up into two senior teams and one junior team. This proved to be a better plan, and the Viks scored their first touchdown against East and in the last game of the season almost downed Manual's Bricklayers.

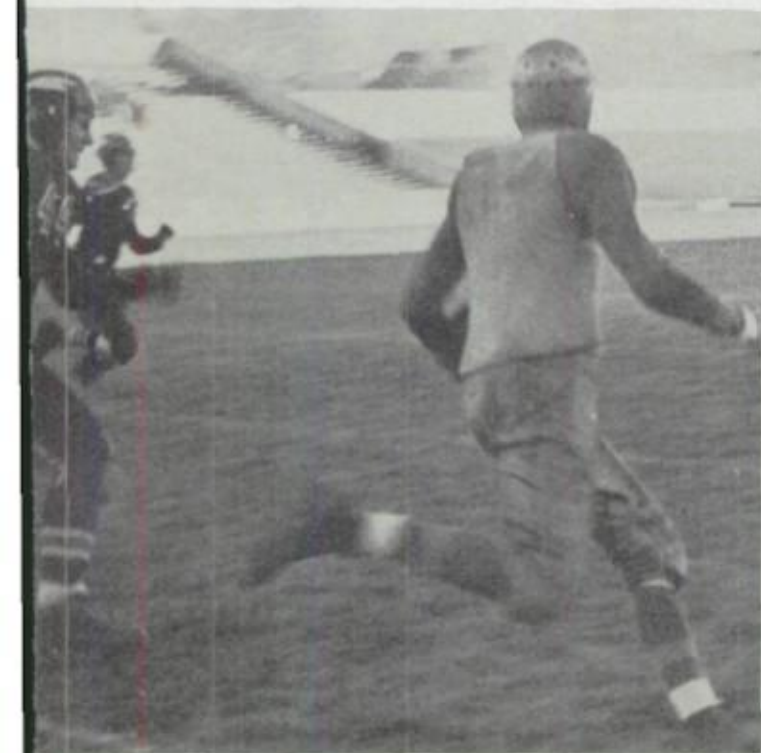

The team failed to place a man on the mythical all-city team but Armand DeSaverio, end; Tony DeRenzo, guard; and Joe Carpinello, back, gained recognition for their play by making honorable mention.

Many promising Juniors will be back from this year's varsity, and Coach Evans is counting on a fair season for the Viks next year. Promising Juniors are Jay Hooper, back; Ted Warshauer, back; and Joe Klune, tackle.

*(Write-ups in this section were written by Bob Fullerton, sports editor of the "North Star.")*

## BASKETBALL, '41

After a poor start that saw the Vikings beaten in the first league game of the season, the tables turned and North beat East, South, Manual, and West before finally bowing to the Angels.

The first East game was a thrill-packed affair that ended up with Dick Binder hitting a long one that meant the difference 20-18. The game served to inspire the Viks, and Keith Young came through in the South game with a set-up that won for North, 32-30. Manual's weak team went down without a battle and West, the team that beat North early in the season, was the second victim of Dick Binder's shooting, with the final score 19-15.

East came from behind to gain revenge in their second meeting, and two foul shots by Tupper Smith won the game, 32-30. South was expected to give the Viks a battle but was cold and went down, 35-21. In the last game of the city league, Manual was edged 29-28, with some good shots by Chuck Martin helping the North cause.

Pup Friedland, Dick Binder, Keith Young, and Paul Wells were honored by being chosen as outstanding players.

### STATE TOURNAMENT

The Norsemen didn't fare too well in the State Tournament and were beaten in the first game, 42-30, by Colorado Springs Terrors. The loss of Harold Friedland was felt to a great extent by the Viks. North did manage to go to the finals of the consolation tournament but was beaten in an over-time game, 32-28, by Canon City.

The baseball season started with gloom but almost ended with the Vik's fifth championship. Two disappointing losses to Manual and West were the Norsemen's lot in the first two games, but they came back to lick the league, leading East Angels 6-5 and continued their winning streak the next three games. A victory over the Angels in their second meeting would have assured the Viks of a tie for first, but it was East's day and the Norsemen went down to defeat

by a score of 7-2. The last game of the season was a muddy affair that North lost 4-3 to South after five innings. It meant that the Viks split even with all teams, defeating each one once, and losing to each once. It was the most disappointing season in years as the Viks lost four games. Dutch Hanel, Pete Fallico, Joe Pontarelli and Alex Risoli were chosen all-city.

## WRESTLING, '41

Furbie demonstrates his skill and technique.

The wrestling team won the city and state championships for the third straight year under the tutorage of Coach B. O. Moles and gained a lasting name for the school. The Vikings went through the city league with comparative ease, having only one tough match, that one with East.

Outstanding members of the team were: Ruben Weber, 95 pounder; Bob Harvat, 125 pounder, who was all-state in 1939 and 1940 in lighter weights; Vic Fentress, 155 pounder; and Bill Beetem, 175 pounder. All of these men were all-city in their respective weights and Weber was all-state, the only boy to gain recognition on the all-state team from North. Other members of the team who helped considerably in the state tournament were: Bob Dunwoody, Walt Furbie, Irv Nelson, and Joe Klune. The outlook for next year is encouraging with five lettermen returning.

## TRACK, '40

Last year's track team ranked high among those of previous years. The event in which the squad members starred was the two-mile relay.

The relay team was composed of Mike Lombardi, Bob Castle, Bert Alexander, and Harold Deist. This group of tracksters took first place honors at the Boulder relays and second place at the Colorado College relays.

Mike Lombardi, North's star track man, had been on the track squad since his sophomore year. In last year's meets he took all-state and all-city in the half mile.

Jack Kiddie, a hurdler, piled up points in the dual and triangular meets in the city but was injured in the preliminaries.

## SWIMMING, '41

Bergren does a swan.

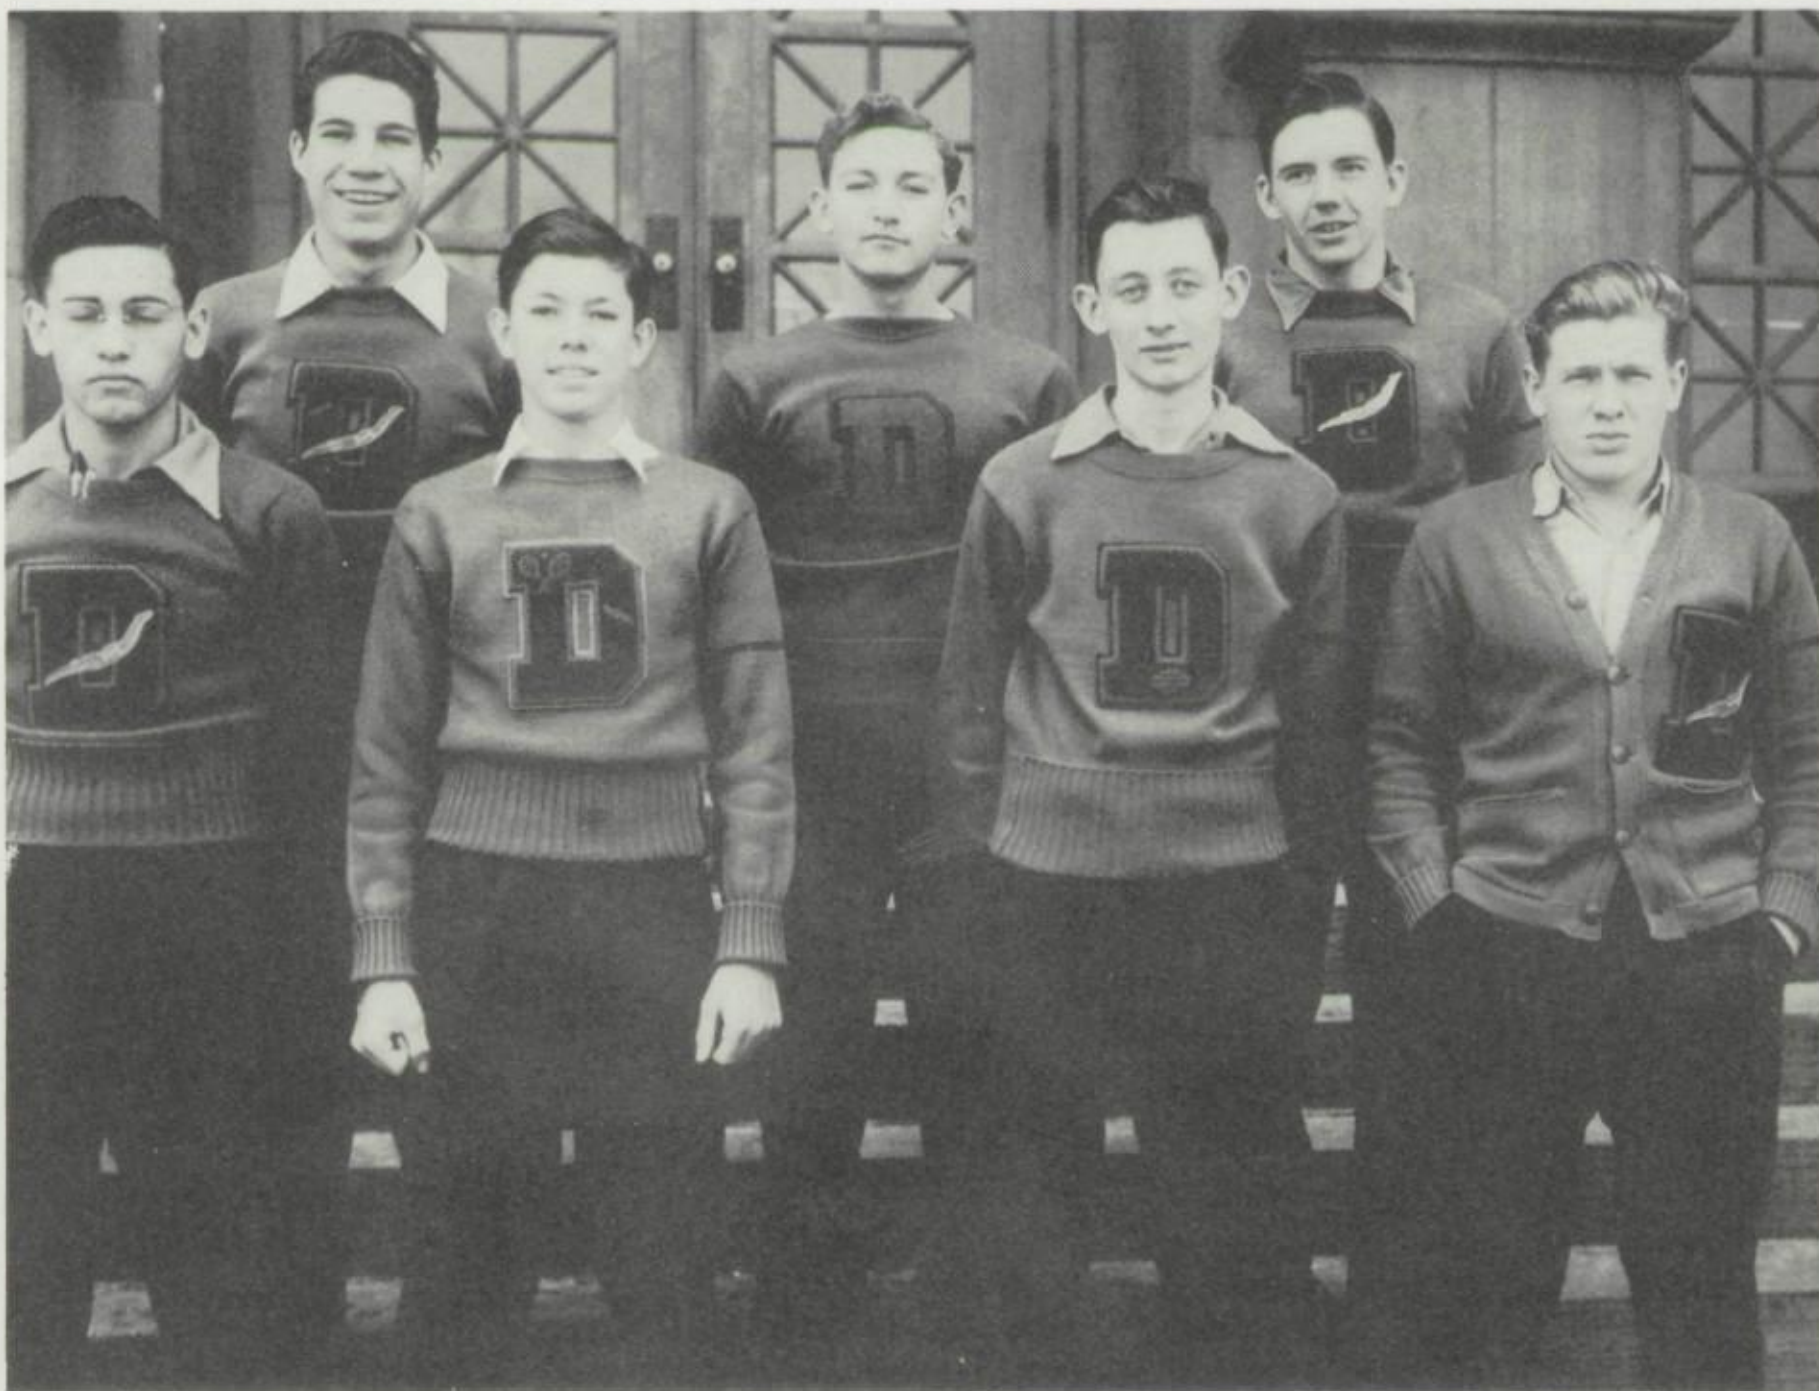

The North tanksters splashed through the season, finishing third in the City Meet and won two of its four dual meets with the other Denver schools. Nelson Bergren was North's high-point man, earning 35 points for the season and placing second in the city's individual medley event. The Angels from East Denver repeated their championship performance again this year, breaking five city records and earning 38 out of a possible 40.

Seven letters were awarded this year. The "D" wearers are: Wayne Miller, Nick Aiello, Dave Hughes, Nelson Bergren, Melvin Pembridge, Roy Avis and Tom Sebastian.

Four of the men will return to next year's squad.

BACK ROW: Miller, Bergren, Hughes.

FRONT ROW: Aiello, Avis, Sebastian, Pembridge.

North's tennis team finished up a hotly contested season in third place. It was one of the most bitterly fought races in the history of the league.

East, repeating last year's performance, took first; South, second; North, third; West, fourth; and Manual, fifth.

### GOLF

North golfers did fairly well this season and finished in third place.

After playing off a tie, East ended in first place; South, second; North, third; Manual, fourth; and West, fifth.

## CHEER LEADERS

Our school yells were led by four boys who deserve much credit for their fine work. They are Morris Grodsky, Bob White, Dick Hagemann, and Bob Whitaker. Winning or losing, they displayed the same spirit typical of all true Vikings.

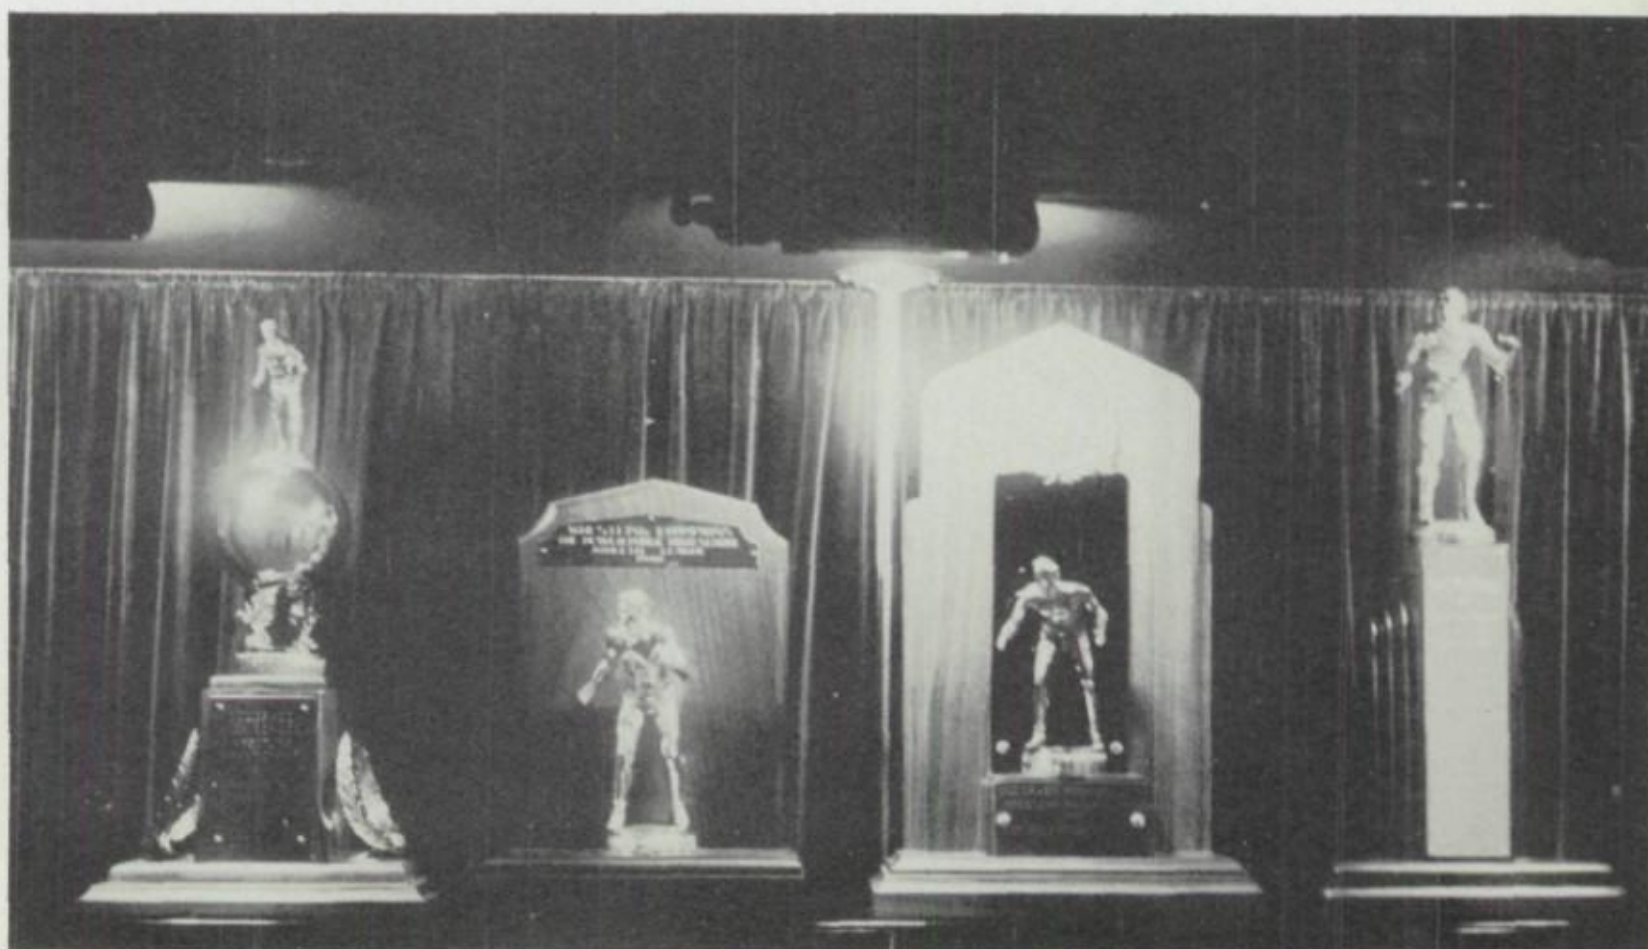

## CHAMPIONSHIP TROPHIES

This year for the third consecutive time North won the City and State Wrestling Championships. The trophy was awarded by the Denver Public Schools Athletic League to the team winning the most points in the meet held at East. The three trophies awarded in 1939, 1940, and 1941 are symbolic of North's school spirit and enthusiasm.

Three essentials there are for the happy, complete life—mental, moral, and physical strength. The girl who has in her possession a physique that is clean, agile, and graceful meets life with a great advantage. To secure such a physique for each girl at North and to enable her to safeguard it is the aim of the members of the girls' physical education department.

## Class Day, 1940

The Seniors have  
their ups and  
downs.

Haven for  
Jitterbugs.

Patiently waiting?

Holding a high spot in the memory of every Senior is the annual class picnic. This is the time when the whole school turns out to give the Seniors a real farewell. It is everyone's Class Day and is truly representative of our good times through school.

Last year, Class Day was held at Lakeside, where everyone spent the day swimming, laughing, playing, and dancing. The roller coaster held the spotlight as an endless stream of boys and girls waited patiently for a ride.

After supper in the pavillion, the merry whirl continued, and many couples could be seen dancing in the ballroom.

This year on May 27, Elitch's will be gay with North students who have put away their studies for a day and have donned their brightest play clothes . . . all in the spirit of good fun.

Just as New Year's day gives us all a chance to renew our resolutions, so Color Day gives each Viking a chance to renew his school spirit.

As its name implies, Color Day is the day when all Vikings wear the school colors. Each classroom in 1940 also wore its share of Purple and Gold, and the members of the room with the winning decorations received additional points for their class.

The Tug o' War between the Sophomores and the Juniors; the baseball game between the Juniors and the Seniors; the faculty game, with the teachers opposing the students—all added up scores for the classes, and the winning class had its choice for the king and queen.

The day's festivities were ended by a dance in the gym when everyone was proud to wear the Purple and Gold.

The Junior Prom queen and attendants.

## Junior Prom June 1, 1940

When the S. S. Viking set sail on June 1, 1940, many Juniors were on deck to see that each Senior had a hail and hearty farewell. The orchestra dedicated songs to many of the Seniors, and the highlight of the evening was the crowning of the queen, Nancy Eaton. Her attendants were: Virginia Leyda, Arlene Turner, Jean Clifford, Myra McCarthy, and Frances Love.

## Senior Prom

As ancient as the story of those star-crossed lovers, Romeo and Juliet, and as modern as the swing music of Gene Eland's orchestra, was the Valentine theme of the 1941 Senior Prom.

Against a background of hearts and flowers, the 240 couples, the girls in swishing gowns, glided to and fro across the floor. The decorations, favors, and refreshments were all in keeping with the theme. Each Senior seemed to carry with him the feeling that this was his last Senior Prom—in honor of him and his classmates.

The "D" Club Hop was a great success.

# The Merry Whirl

Jack would have no chance of becoming a dull boy here because life at North is by no means all study. On the contrary, there are many social events that give variety and spice to the school year. In addition to three formals, there are two sports dances and various club dances and dinner parties.

On every Thursday afternoon between Thanksgiving and spring vacation, social hours are held. The highlight of these dances this year was the Valentine social when Mr. Dan Cupid, namely Howard Banzhaf, was elected and crowned.
